

Free Product Demonstration and/or Paid Onsite Technical Support at your Office or Online

Name: _____

Company: _____

Address: _____

Phone: _____ Email: _____

Free Product Demonstration (typically 1 to 1.5 hours duration)

Datgel can't sell gINT to Bentley ELS users, and some select users choose not to buy gINT from Datgel - if you fall in these categories, Datgel will bill you for a demo of gINT. We of course offer free demos of Datgel developed software.

I would like a demonstration on the following:

- | | | |
|---|---|--|
| <input type="checkbox"/> DGD Tool | <input type="checkbox"/> CPT Tool | <input type="checkbox"/> Lab & In Situ Tool |
| <input type="checkbox"/> Photo Tool | <input type="checkbox"/> Output Tool | <input type="checkbox"/> Fence & Map Tool |
| <input type="checkbox"/> Monitoring Tool | <input type="checkbox"/> Administrator Tools | <input type="checkbox"/> Advanced In Situ Tool |
| <input type="checkbox"/> Security Tool Enterprise | <input type="checkbox"/> gINT | <input type="checkbox"/> gINT Civil Tools |
| <input type="checkbox"/> gINT Customisation | <input type="checkbox"/> Software Development | <input type="checkbox"/> In-house Training |

Datgel's On Site Technical Support

- 2 hours On-Site Technical Support
(Paid Service AU\$480, SG\$540 SGD or equivalent)

Service provided by Phil Wade, Datgel CEO and expert in gINT and geotechnical data management. This could be used as a question and answer session on gINT and/or Datgel software, or you could ask Phil to make additions an existing gINT report and/or database.

Payment Mode – Prepaid via credit card

No refund for cancellations made within 7 days of event date.

Preferred time(s):

1. _____

2. _____

3. _____

20/2/2019
